

MENDHAM BOROUGH SCHOOL DISTRICT
Mendham, New Jersey

INSTRUCTIONS FOR ALL NEW STUDENTS

1. Complete the Health Assessment Record.
2. Download and take the Universal Child Health Record to your doctor for his/her report of the examination and verification of immunization requirements. This examination must be performed no more than 365 days prior to school entry.
3. Return the following form as well as the Universal Child Health Record to the school office prior to your child attending. Your child will not be admitted until this form has been submitted to the school and reviewed by the nurse.

MENDHAM BOROUGH SCHOOL DISTRICT HEALTH ASSESSMENT RECORD

To Parent or Guardian:

In order to provide the best educational experience, school personnel must understand your child's health needs. This form requests information from you (Part I) which will also be helpful to the health care provider when he or she completes the medical evaluation (Universal Child Health Record).

State law requires complete primary immunization and a medical examination by a physician licensed to practice medicine or osteopathy, a certified registered nurse practitioner, /clinical nurse specialist or licensed physician's assistant prior to school entrance in a New Jersey school district.

Kindergarten entrance physicals must be completed prior to entry. Students moving into the district are allowed up to 60 days from date of registration to provide the school nurse with the completed Health Assessment Record. Transfer students must provide a complete immunization record within 30 days of registration.

This examination must be performed no more than 365 days prior to entry.
